WORK EXPERIENCE

Tabani Group, Dubai (viz Tabani Real Estate LLC, Golden Bridge Real Estate LLC & Prescott Developments)
November 2024 – June 2025

Data Operations Intern | Prescott Developments, Dubai

- Supported the CRM team at Prescott by preparing and handling Oqood and SPA entries on a monthly basis and maintaining the sales book to ensure accurate tracking and documentation of real estate transactions.

Assistant Software Developer | Tabani Real Estate LLC, Dubai

- Designed and developed responsive landing pages for project launches and the official website for Golden Bridge Real Estate LLC using HTML, CSS, and JavaScript, enhancing brand visibility and engagement.
- Supported email marketing campaigns, managed CRM updates, and contributed to marketing automation efforts.
- Completed formal ReactJS training, gaining foundational knowledge of component-based development and state management to support front-end projects.
- Observed and learned to analyze data and generate reports to inform marketing and business decisions.

Sales and Marketing Intern | Global Beam Telecom, Dubai
January 2024 – June 2024

- Designed and developed the company website, including page structure, content integration, product listings, and visual elements to ensure a professional and responsive user experience.
- Managed and updated product data in the internal database to reflect accurate specifications and pricing.
- Created marketing assets (brochures, visuals, LinkedIn posts) using Canva, aligning design with brand guidelines and contributing to overall UX consistency.
- Conducted market research identifying 30+ UAE-based companies as potential clients and supported the sales team by preparing 10+ client quotations and participating in client meetings to understand user needs and business goals.

Technical Intern | Unique World Robotics, Dubai
June 2022 – August 2022

- Designed and led a FreeCAD training course, boosting team efficiency by through hands-on exercises and interactive sessions. Contributed to technical projects that improved team collaboration and productivity.
